Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Chloe Couture wants something sweet for Halloween. But it's not candy. She gives us a hint as she strokes the handle of her broom. This little witch is feeling horny, so she takes out her itty bitty titties and frees her bushy pussy to cum.

Cadence Carter gets in trouble for not wearing a bra to school. But the awkward moment turns into hot sex with a fellow flattie lover. He worships her little nips and then she worships his cock, sucking it and even giving him a blow job while hanging upside down (just take our word for it).

Emma Ryder has gotten into her mom's things again. She tries on panties and oversized bras. It's cute to see how her tiny tits don't fill those cups at all. Maybe one day! Then she dildies her clit for a hot cum.

Jewel Styles has the perfect gift for her boyfriend's birthday. Her pussy! Forget watches and ties and shoes. All guys really want is to cum hard from fucking a hot, little chick. And Jewel is

as hot as they get. She has a pretty, exotic face, a fit body and a pink slit that looks so tight.

Aubrey Gold just graduated. We don't know what kind of school she goes to, but they are okay with her taking off her clothes and cumming during her graduation speech.

Megan Rain is in need of a massage after a tough cheer practice. Her boy toy is happy to assist but can't help his wandering hands. The massage escalates quickly to ass slapping, cock sucking and fucking.

Trillium gets lusty in the locker room. She gets naked and starts masturbating. You can tell that Trill is a clit girl by the way she diddles her button. And once the camera zooms in, you can see why. She's got a big clit!

Avalon Aries is a bad girl. She seduces a guy in an empty classroom by taking off her shirt. His cock is already hard by the time she takes it out of his pants. Avalon hops on top in reverse cowgirl, bouncing her pussy up and down his shaft. In return he drills her twat as she's laid out on the desk.

Kharlie Stone is the perfect school-girl. And we couldn't help but watch her pee. She stands over the toilet with one foot on the seat and unleashes her piddles. She likes to see her own stream as much as you do.

Liza Rowe is in detention with a hung classmate. You can guess what happens when they're left unattended. She cumms while diddling her clit as this guy thrusts into her box.

Wanking Bliss

Dear Virgin Territory,

I've just bought at my local newsstand today Volume 25 Number 2—the 24th Anniversary Back to School issue—and want to congratulate everyone at 18eighteen headquarters for bringing us 24 amazing years of hot, horny teen girls.

The Back to School issues are my favorite mainly because I love the girls in tartan skirts, white pop socks and big cotton panties.

Three girls particularly took my fancy. First up was sexy redhead Annya on page 64. When I saw her flowery panties under her school skirt and those very big teen tits, I had to use every ounce of my wanking experience not to immediately empty my balls over her pages. I'd love to see her featured again!

Next up was very cute, young Asian babe Raya on page 54 grabbing hold of a big dick in her school uniform straight off the bat. My god, she looks like she takes a really good shafting from your stud and clearly loves a big dick inside her tight teenage pussy despite her tiny size. I love seeing young Asian babe flatties in 18eighteen, especially ones drinking cum in their little white school socks. Please make sure we see her again

in the mag!

My favorite girl in this issue has to be brace-faced teen blonde Czech girl Megan on page 78. My lord, this is why I've been a fan and avid collector of 18eighteen magazine for over 20 years. She is just delicious in those pink socks, and I've spurted four loads of cum over all her pages in one afternoon and have just had to go online to order a second copy! Her solo pictorials are just beautiful; she's certainly a little ball-drainer and must cause a lot of erections in public! What I would give to spend a whole afternoon shooting my hot sperm in her tight, shaved pussy. Would love to see her back in a future issue taking on a big cock! Thanks again guys, and here's to another 24 years of wanking bliss.—K., Essex, United Kingdom

Dear K.,

We hope you stick around with us for another 24 years. As thanks for your

dedication, here are bonus photos of lovely Annya and Megan.

A Back to School Report Card

Dear Virgin Territory,

I finally got my copy of 18eighteen Volume 25 Number 2. The Back to School issue has arrived and it's a special 24-year anniversary as it says on the apple on the cover. And speaking of the cover, it has a nice green chalkboard background and Maria as the covergirl. She looks hot pulling up her skirt and showing her lovely yellow panties. There is much going on with the covergirls with

Bella's shirt open and blue panties showing and Violet's tits busting to get free. And just the way Sabrina is sitting got my dick rock hard before even looking inside.

The first girl in the issue is Violet, a new girl. She is okay, and I like her pictures on pages 20, 22, 24 and 25. I especially like the top photo on page

Annya's big tits got one reader going.

18 as I love looking up the girls' skirts. I like her because she has bigger tits and a trimmed bush, and I like her nipple bars. Please bring her back for a hardcore set, as I would really like to see her pussy filled up with cum and watch it dribble out.

Next is Sabrina. Fuck me, she is cute. I like her school outfit. I would put her over my knee and smack her ass till it is rose red then I would fuck her in missionary like on page 35. I would pull out and cover her tits, face and belly with cum then put

my dick back in her pussy and fuck her and fill her up with more cum. I like her pictures on pages 29, 31, 32, 33 and 35. Please bring her back for a hardcore set as well.

Rika is another new girl. She is cute. No schoolgirl outfit on but that is okay. She is sexy so I will let it slide this time as I like her little outfit. I like her pictures on page 37 (top left) and pages 39 and 41, plus her big creampie picture.

Maria is sexy as fuck. I like her pictures on page 44, the big picture on page 47 and the pictures on pages 48, 49 (top) and 51. But sadly the cum shot picture lacks cum as I only see two dribbles on her cheek.

Bella is another new girl. Shit, she is fucking cute. I love the top pic on page 72. She is another girl I would put over my knee and smack her ass and fuck the shit out of her pussy and ass and creampie her. Please bring her back for a hardcore set as I want to see her get a creampie and watch it ooze out over her bumhole.

So all in all what do I think of 18eigheteen Volume 25 Number 2? I would give it a 6 out of 10. It's a very good issue with lots of new girls and schoolgirl outfits. A fantastic effort but I was let down by the cum shots. I like what you did with the girls, like the school bag that Violet has; Annya and the open book; Gracie, Raya and Sabrina and the notepad; Maria, Megan and the chalkboard; Rika's and Bella's names and even the school bus with the bonus code

and Maria sitting on it. Please bring back Gracie, Maria, Rika and Raya for solo and bring back Sabrina and especially Bella for hardcore sets.—
J.M., Falkirk, Scotland

Dear J.M.,

Thanks for your review. You're in luck; Maria has a solo pictorial in this issue. Check her out on page 70.

Tiny Titter

Dear Virgin Territory,

Wow, Violet from your Back to School issue is such a babe. Her rack is phenomenal. She can ride me all night with those juicy tits bouncing in my face. I like her tanlines, piercings and nipples. She also has a nice, tight pussy and butthole. Her pussy looks like it would fit around my cock nice and snug. I see that she's only 4'10". That means that she's tiny and easy to pick up. I'd lift her in the air and fuck her pressed against the wall or flip her upside down for a standing 69. You've gotta take advantage of their size when you're with a petite girl and do the fun positions that are harder with a bigger girl. The only bad thing about being with Violet is that you'd never know where to cum: on her pretty face, on her perky tits or inside her tight pussy. Ideally, a different spot every

time you fuck her.—K.Z., via email

Dear K.Z.,

If you give her a facial, some of it will probably drip down her tits, so that's like two for one. Here's a bonus photo of Violet to help with that visual.

MOVIE PREVIEW

5 GIRLS LEARN
TO FUCK FROM
OLDER MEN

TEEN
BAIT 3

MICHELLE

Older men can't resist tender teen flesh. That's why the five girls in the third edition of this movie are teen bait. But the girls are just as tempted by silver foxes with big, hard cocks. Babes like Michelle and Aria want to learn how to suck and fuck like pros, and they know older guys who've been around the block are the best ones to teach them.

ARIA

MARIA

TEEN BAIT 3

"I am 18, tight, cute and horny," says Maria at the start of her scene. Spoken like true teen bait. She gives us a preview of her goods before her mature stud steps in with a hard cock ready to go. Rusty fingers her licks her pussy because older guys know that warming a girl up makes for better sex. Maria gets so wound up that she takes his rod to the back of her throat and the bottom of her pussy. Naturally, he creampies her tight teen slit.

For most people, their friends' siblings, exes and especially parents are off limits for fucking. Ginger is not most people. In this scene, she's happy to suck and fuck her bestie's dad. She pants and talks dirty as he thrusts into her, cumming on his cock in all positions. Nothing is off limits for Ginger. Bad girl Olivia disobeys her tutor, so he has to teach her a lesson. That lesson includes stretching her little mouth and cunny with his cock. Now she's suddenly a very good student.

Alissa A-List Teen

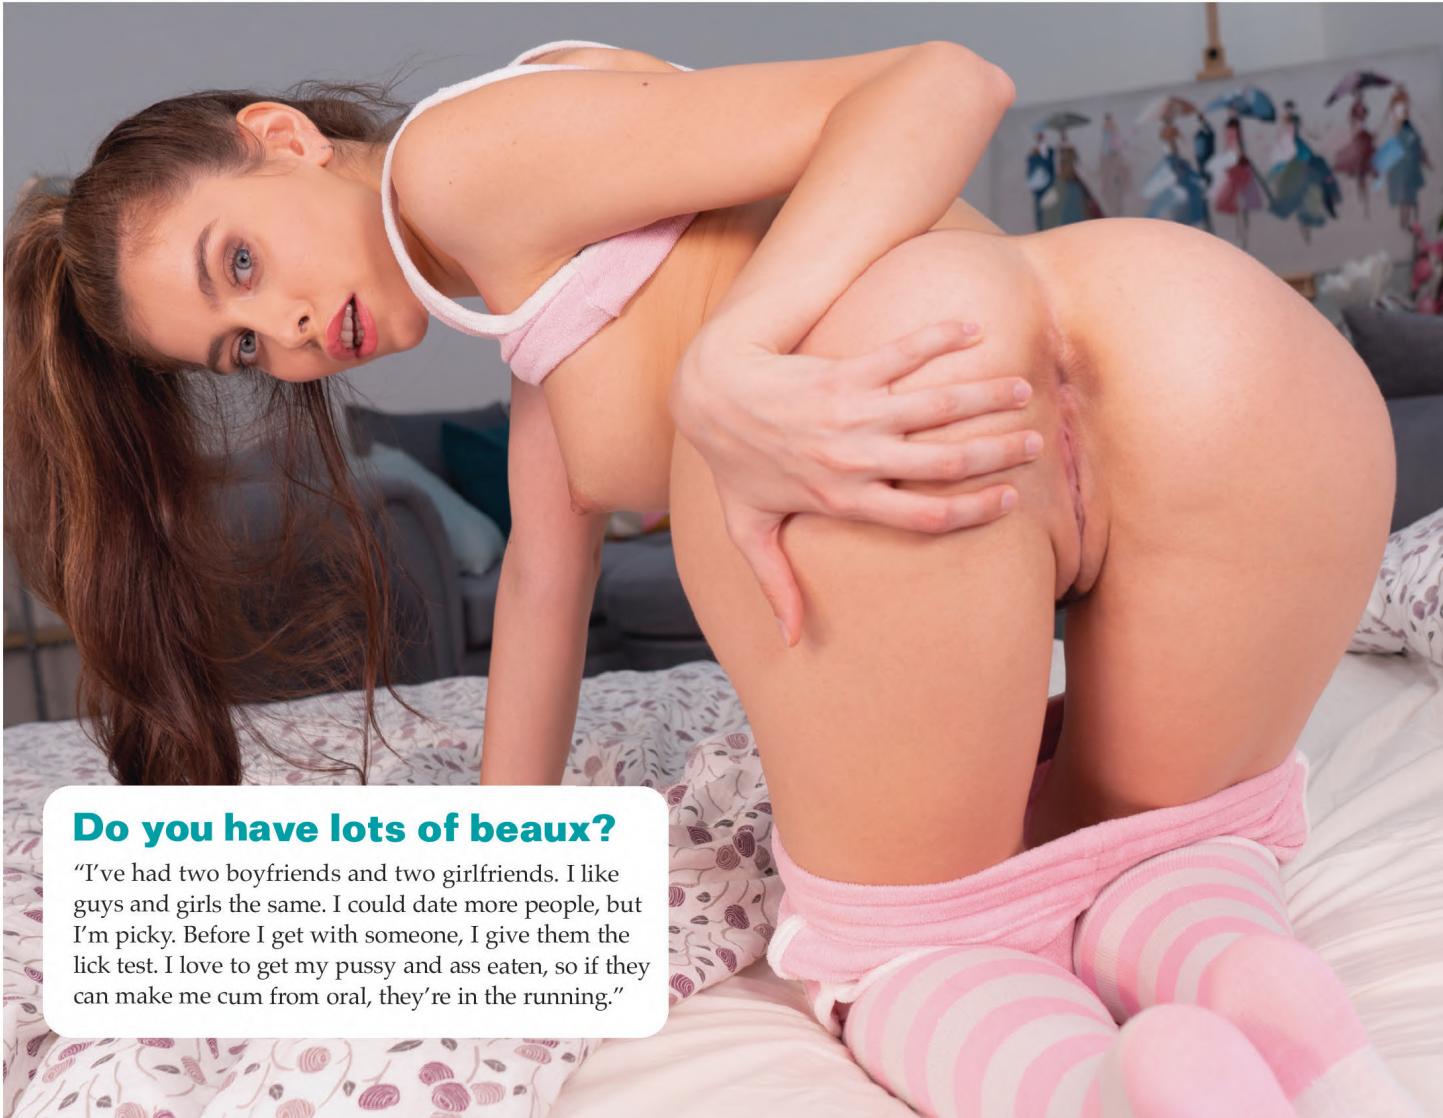

Alissa could be a movie star.

This beautiful Czech babe has looks that could land her on the big screen, but she would rather show her perfect tits and pussy on the pages of *18eighteen*. And if you think her face is pretty, wait till you see the rest of her. When it comes to teen porn, she's definitely an A-lister.

Do you have lots of beaux?

"I've had two boyfriends and two girlfriends. I like guys and girls the same. I could date more people, but I'm picky. Before I get with someone, I give them the lick test. I love to get my pussy and ass eaten, so if they can make me cum from oral, they're in the running."

Do you like three-ways?

"I've only been in a three-way with two other girls, and it was hot. My favorite memory was when I was standing up and one girl was in front of me eating my pussy and the other was behind me eating my ass. It was the most pleasure I ever felt. I would love to recreate that experience with a guy and a girl."

Being a high school teacher wasn't all it was cracked up to be. But every once in a while, something happened that made it all worthwhile. Sometimes a former student would come back, looking for more than advice or a letter of recommendation, and even a history teacher could give a former student some...

Afterschool Sex Ed

By Joe Monks

"Hiya Mr. Gifford!"

I looked up, expecting to see one of my students poking their head into the room. The school day was long over, but some of the sports teams would still be practicing, so a straggler—even this late—wasn't unheard of. Only, this was no straggler. In fact, it took me a couple of seconds just to remember who the girl was.

"Hey there...Amanda!" I finally managed, hoping I'd gotten it right. Not that I often forget students' names from the previous year. Most I'll remember long after they graduate. But with Amanda, it was different. This wasn't the same girl who'd sat third row, fifth chair in my history class the year before. Not by a long shot.

"You remembered!" she bubbled, flashing a big smile. I hoped my Whew! Wasn't too obvious.

"Of course," I lied, slipping back into my chair, glad I had something to put between my crotch and my former student. Amanda was giving me an erection that was flat-out painful, which wasn't something that happened much, given how many years I'd been standing in front of a classroom full of high schoolers.

I've been teaching for a long time. Twenty-two years this September. I've seen a lot of students grow up fast. I mean, right-before-your-eyes kind of fast. Students you taught in ninth grade who were as awkward as newborn colts taking their first step turned into captains of the football team and king and queen of the prom. Sometimes, big changes like that seemed to come almost overnight.

That hadn't been the case with Amanda. She was one of the forgettable students. Whatever had happened to her had happened sometime during the summer, well after she'd crossed the stage and taken her diploma. Staring at her now—and I was pretty sure I was staring, I couldn't help it—left me speechless. The Amanda who'd struggled through history class last year had gone from a pimply-faced, flat-chested, kind-of-boyish-looking senior to a curvy, blemish-free stunner. The Amanda I remembered? She hadn't even looked like a senior. She'd had braces for chrissakes, and she carried her books the way insecure girls did.

back when I was in high school—clutched to their chest to either hide their boobs or hide the fact they hadn't developed any yet. I don't know what this Amanda had done with that one. Maybe called in the bodysnatchers or something.

She said she was glad she caught me in and started making small talk. She was back from college on break and figured she'd stop by, see which of her teachers might still be around. I half-listened, trying to do something to keep from fidgeting. My zipper felt like it was tattooing itself into my shaft, that's how tight my pants had gotten. I started packing up my laptop, which had finally charged up. I was doing the opposite of what Amanda was for the long weekend, getting out of town. I had a reservation for a cabin out in the middle of nowhere and my fishing rods waiting in my SUV. I still wasn't really sure why Amanda had knocked on my door. She'd been awful in class. Failed a test or two, didn't pay much attention. If not for a few study sessions the final marking period, she might have failed the final. But she worked at it enough, and I cut her some slack with a homework assignment or two, and, well, she made it through. I took a second to feel green with envy over whoever might be teaching her now. Especially if Amanda ever wore a skirt to class. She'd been about five-nothing the previous semester. She must have been at least five-five now, and I could picture those legs bare to the thigh from a vantage point at the front of the room, especially whenever she crossed or un—

"...the best," she was saying. Crap. I'd totally zoned out on her. I felt guilty about that, thinking with the little head and all, but I reminded myself—she wasn't one of mine any more. She was 18. She'd graduated. If I wanted to take a thirty second mental vacation where she showed up braless and looking to massage the back of her throat with my cock? No biggie.

She was leaning on my desk now. You know how girls do, palms pressed flat and the insides of their wrists touching, like they're hiding behind their arms? Well, maybe last semester Amanda could've pulled it off, what with her tits being nonexistent and all. Not now, though. Her

shirt was loose enough to show cleavage, and I could tell she wasn't packing Kleenex in there. My guess was that she'd sprouted into a C, and might not be finished yet....

"You look like you're in a rush," she said, the smile fading. "I guess I'll get going."

"No, not at all," I said quickly, not really sure why. If Amanda didn't get out of here, I was going to be in serious need of new shorts and a fresh pair of jeans. I was going to back-

track, when she sat on the end of my desk, half turned toward the window. The profile view of her ass made me gulp. She leaned a little closer. Shit, I was practically staring down her shirt. The view was worth it, though. Her boobs looked gorgeous in that simple white bra.

I shot a glance at the door. It was practically shut—but not quite. Despite the place being a ghost town, it still made me nervous. Still, I couldn't take my eyes off Amanda's

tit, especially when she was all but sticking them in my face. I wondered what it would be like to wrap my tongue around her hard nips. To taste her teen sweat as I licked a trail down to her pubes and—

“...this weekend?”

She'd asked me a question, but I'd missed it. Another mental vacation. This one spent with my tongue up her slot, two fingers buried in her barely-legal box.

“Oh! The weekend?” I fumbled, my brain grinding gears. “Going up to Mt. Sloane, do some fishing.” Boy did that plan sound lame now. The only thing I wanted to do was bend Amanda over my desk and fuck her from behind until I blew my load onto her back...or until the custodians locked up the building, whichever came first. I knew it—I could've

rubbed one out in the john with one stroke right then.

“Do you have to leave...soon?” she asked, dragging the question out a little longer than necessary. The signals she was putting out were unmistakable. I...I just didn't know what to do.

“Not right this minute,” I said, try-

Her tongue darted out, the tip finding my dickhole and licking away the pre-cum that had been forming there. I sighed, moving forward, my cock parting her lips and slithering across her tongue.

ing to play it cool. Yeah, right. Still, I pressed on. “Why?”

Amanda looked over at the door, reached behind herself to scratch her back. She looked a little unsure herself when she turned back.

“Well, I was just, you know, wondering.”

She leaned in again. Only this time, her breasts were exposed. She hadn't been scratching her back. She'd been unclasping her bra.

“Amanda,” I said, practically talking into her hair, we were that close. My briefcase hit the floor with a hollow *FUMP!* as I pulled her over the desk, her legs parting as she slid toward me.

Now her boobs really were in my face, feeling just as good as I'd imagined. I inhaled her scent, a mixture of strawberries and lip gloss and vanilla shampoo. Teenage girl through-and-through.

Then the cloth was gone, her shirt off and the bra sliding down her arms as she shrugged out of it. I buried my face between her perky knockers, nibbling the flat patch of skin between those luscious teen boobs.

She pulled me up to kiss her, her tongue tasting sweet and meeting mine with equal urgency. I undid her pants while we French kissed, her shiny fingernails digging into the back of my neck.

I couldn't believe this. I'd been teaching for 22 years, longer than Amanda had been alive. And still, it didn't slow me down. I didn't give a

damn about the weekend, about my fishing trip, about the fact that the door to the classroom was standing open and anybody could walk in on us. Amanda and I were both good to go and I couldn't wait to dip my wick into her sweet, pink crevice.

Amanda's sneakers landed on either side of my chair as I yanked down her pants, exposing her creamy thighs. I could feel the heat coming off her pussy right through her cotton undies. Amanda might've grown up in the tits and ass department, but she hadn't graduated on to thongs and slutty underwear, which I found to be a huge turn-on. Those plain bloomers—damp at the center where her juices had soaked through—made me dizzy. I took a big whiff, before planting my mouth square on the well-defined cameltoe.

Amanda gasped. I pressed my tongue into her, grinding it against her button, the texture of bloomers-on-clit making her squirm. Her wetness was pouring right through, to the point I could feel her lube coating my tongue.

“I want to eat you,” I huffed into her crotch, trying to snag the waistband. Amanda hoisted her ass off my desk, and I tore her panties off before diving tongue-first into her sweet muff.

Her folds were slick, her tight canal greased up with nature's lube. I savored the taste, her velvet pubes tickling my nose as I went down on her.

Amanda wrapped one leg around me, digging her heel into my back. She reclined on the desk, eyeing my progress over her well-formed breasts. I looked up at her, hungrily devouring her teen wetness. When she smiled this time, I noticed something I'd missed before. Her overbite. It was better now, but still there.

And so were her braces.

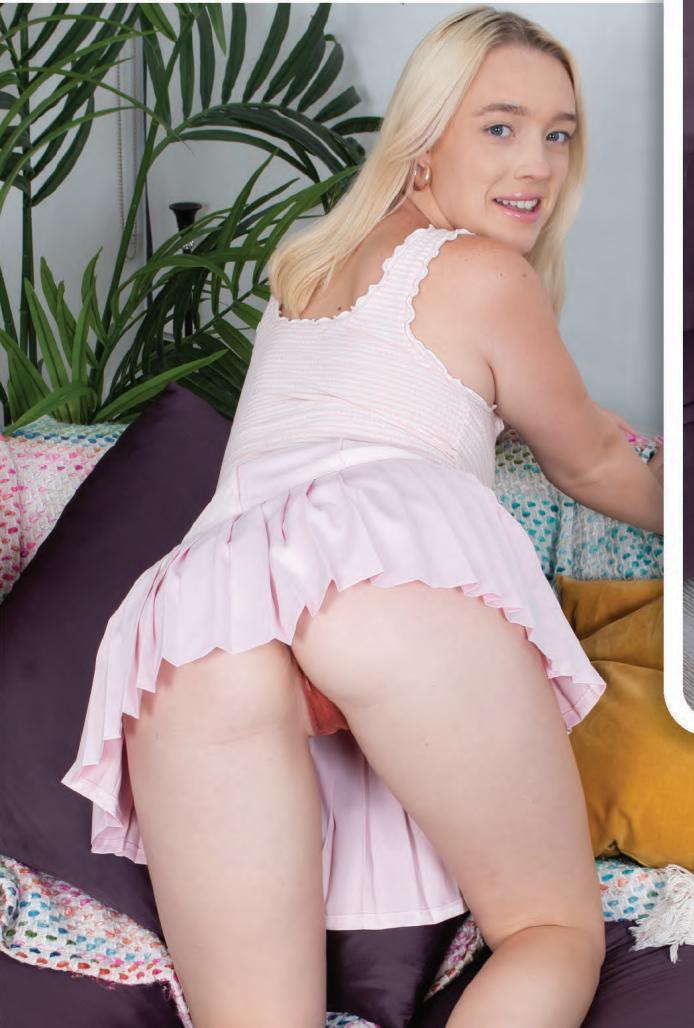

The sight of her, gnawing on her bottom lip while I tongue-fucked her, made me increase my pace. I was flicking her clit, swabbing out her smooth snatch and then probing her silky hole in rapid succession. Amanda mewed with pleasure, grabbing me by the ears and pulling my face deeper into her fuzzy triangle.

“Make me cum! Please! I need it so bad!” she begged, her back arching, her hips driving her glistening pie up to meet my tongue.

Making her cum? No problem.

Her cherry bomb is ticking.

Juliette has never had a cock inside her pussy before, but that doesn't mean she's a prude. "I've done everything except sex, including licking a guy's ass," she said. "Once I'm more experienced, I would like to try a gangbang." We don't think her virginity will stick much longer.

Why haven't you had sex yet?

"I grew up thinking that the first time had to be really special. I used to think I would wait till marriage! But now I'm over that and just waiting for the right opportunity. There's still lots of fun things you can do before you finally fuck."

What have you done?

"Obviously I masturbate a lot. I've fucked myself with a dildo and even put a buttplug in my ass. I've done lots of oral, and I give pretty damn good head for a virgin. I gave two guys a blow job at once, switching from cock to cock, and I swallowed their loads one after the other."

Braceface Facials

These teens love sucking the jizz out of their tinsel teeth

Sally Squirt

Veronica Valentine

Giving a girl a facial is great on its own, but it's even more fun when the girl has a mouthful of metal. There's just something so naughty about coating a set of braces. And it's not just a thrill for the guy; these girls love it too. "It takes me a while to suck all the cum out of my braces. It's like an extended-release facial," said Sally. Veronica takes the naughty up a notch by letting her principal cum on her braces. That's one way to get out of detention!

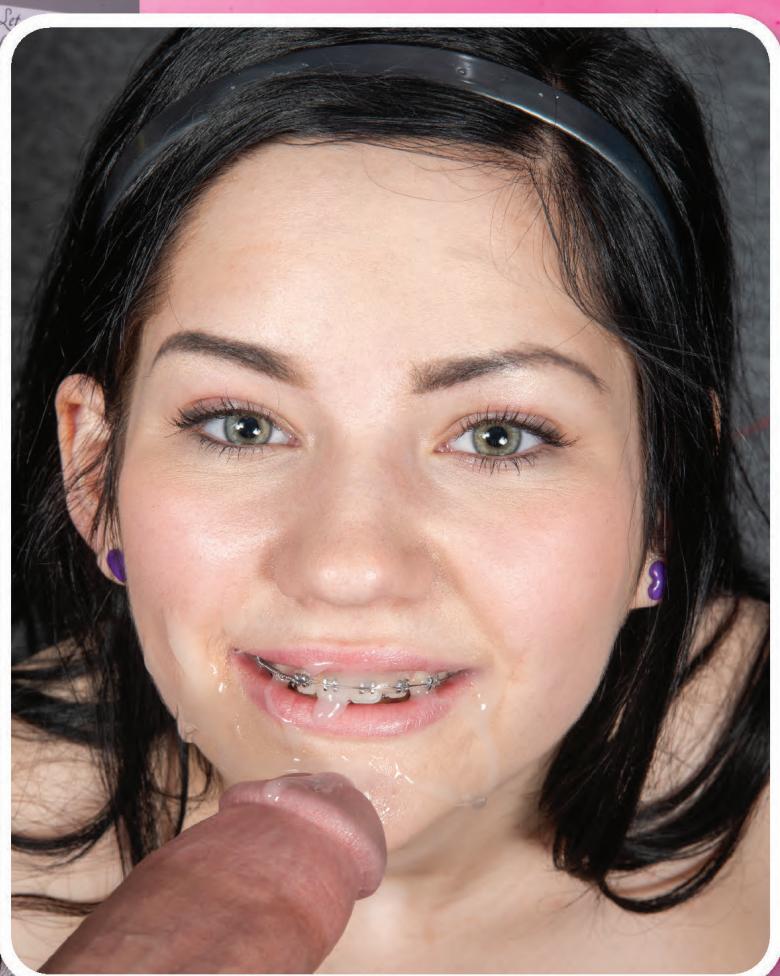

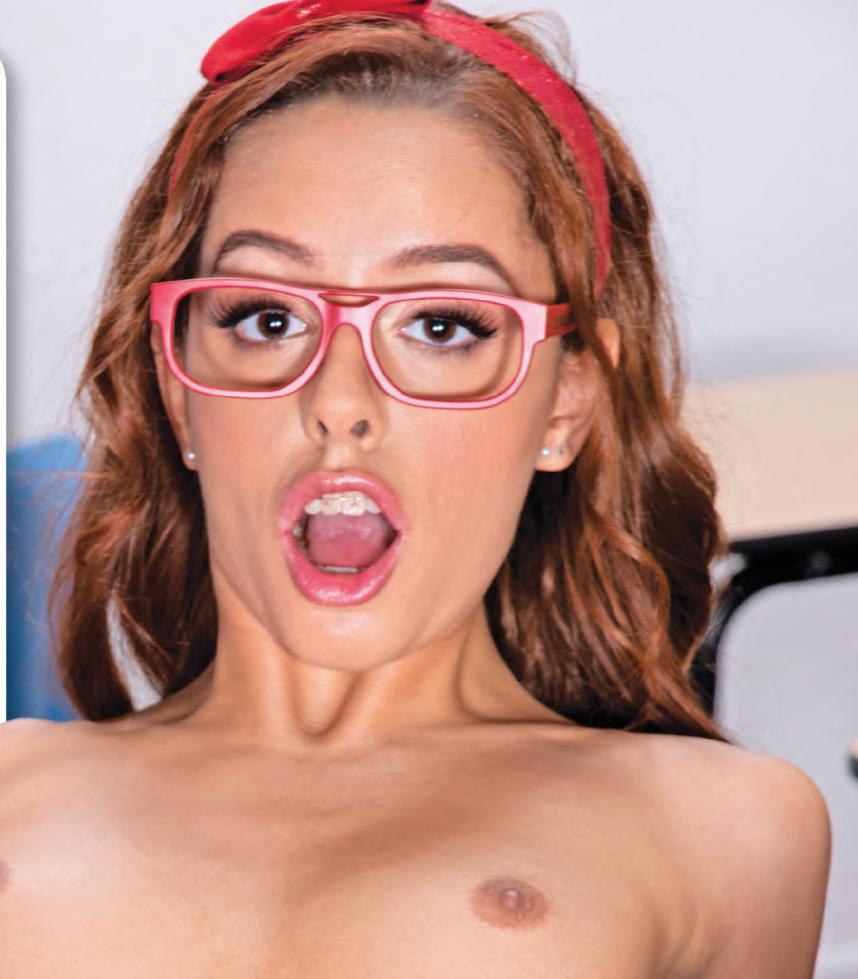

You know the difference between Binky and her sister? Binky has braces and her sister doesn't, and the sister's boyfriend has always wondered what it's like to get head from a braceface. Binky is a master cocksucker and maneuvers her mouth around his boner. She also maneuvers her pussy on his cock to get a big load on her braces. These sisters share everything! Anastasia is new on the job and she already got her first bonus: a hard fucking and a load of cum across her tracks.

**Anastasia

Vanna Bardot

Lexi has metal on her teeth and in her nips. Her personal preference is to get cum on the metal in her mouth, and her brother's friend obliges her. Karly is your stereotypical nerd with braces who wants to prove that she's not a nerd. So she sucks and fucks a classmate in the science lab and lets him erupt like a volcano experiment on her braces. Vanna is another slutty student who takes her teacher for a wild ride after class and opens wide to accept his ample load.

Sweet Sindy

Piper Perri

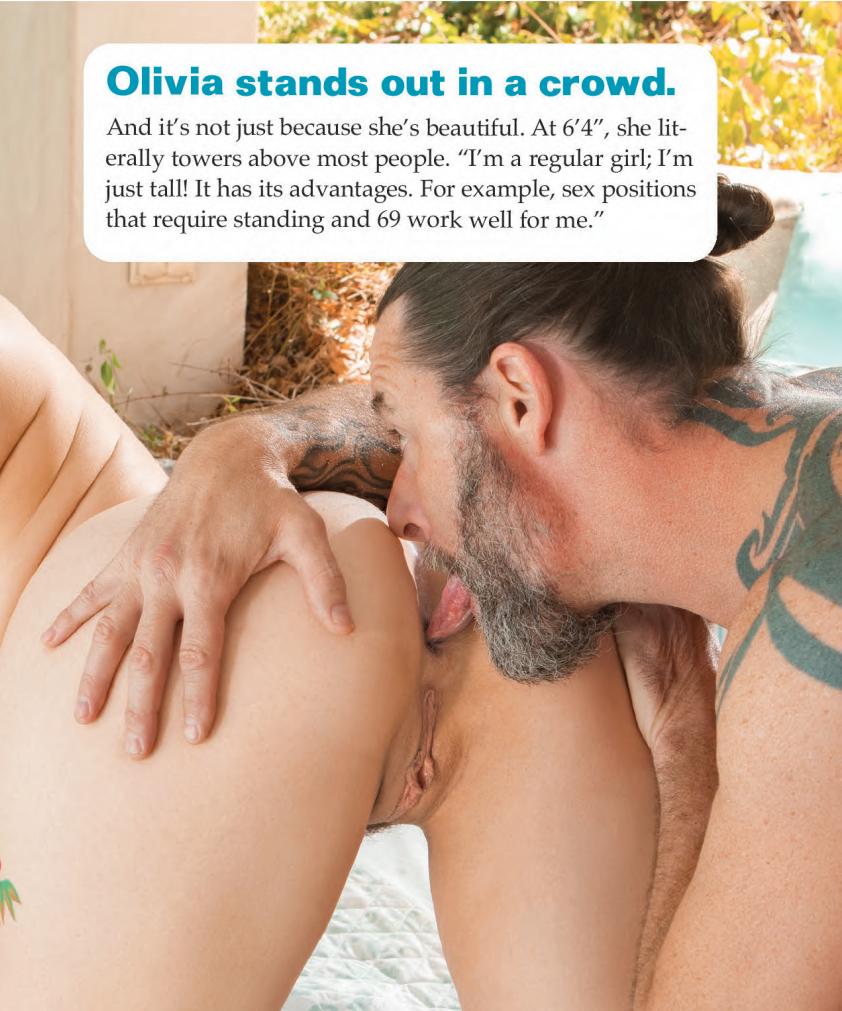

Sweet Sindy is a cock fiend who has gotten cum on just about every part of her body. "I've even gotten it in my hair and eyes," she said. But her favorite place for a guy to cum? You guessed it. Her metal mouth. "I love the taste of cum, and when a guy shoots in your mouth you can really tell just how big his load is because you get to swallow it," Sindy said. Piper's photos are particularly memorable because we got a live action shot of a guy jizzing on her braces. "I love facials!" Piper said. "I don't even flinch when the guy shoots, and I make sure to swallow every drop."

Olivia stands out in a crowd.

And it's not just because she's beautiful. At 6'4", she literally towers above most people. "I'm a regular girl; I'm just tall! It has its advantages. For example, sex positions that require standing and 69 work well for me."

Are guys ever intimidated by your height?

"I'm sure some are, but the good thing about being tall is that I tend to attract confident guys who don't mind if I'm a few inches taller than them. And confidence is a huge turn-on. Plus, height doesn't matter that much when you're horizontal. Anyway, my pussy is really tight and I love to swallow cum. Isn't that all that matters?"

What's the hottest sex you've ever had?

"Once I met a guy at a pool and we got to talking. I figured we would just exchange numbers and go from there, but things kept getting hotter. We got in the water and he started fingering me. Then he went under the water and licked my pussy. There were people around, too. He came up and we embraced, and then he slid his cock in. We had to go really slow to not be obvious, but it was so hot." Watch Olivia in XXX at 18eighteen.com.

It's workout time!

Summer doesn't just want her ass to look good. She wants it to feel good, too. So she convinced her parents to hire her a personal trainer to work her buns from the inside and out. During her session, she gets on all fours and sticks her ass in her trainer's face. There's only so much a man can take. Soon her panties are down, and he's got one finger in her pussy.

She'll squat on a cock.

Summer's throat is as deep as her holes are tight, and she swallows her trainer's cock to the base. Then she gets on top of him for an enthusiastic ride. She's definitely putting in work! "Squatting is way more fun when there's a cock going in my pussy."

She's never had a workout like this before.

Once she's had her fill in her pussy, Summer slides her ass down the trainer's cock. The girl's got stamina as she bounces furiously and diddles her clit while he's balls deep in her back door pucker. For the grand finale, Summer gets a protein shake from this guy's balls on her ass. Deciding when she'd had enough? Now that was a little more tricky.

Amanda was trying to hold herself steady on one elbow, her right hand clutching a handful of hair. She was three or four climaxes in by then, I couldn't remember. My face was streaked with her goo. Some had dripped off my chin. It spotted the hardwood floor between my knees.

I nibbled her hood, slowly working a second finger into her fuck tunnel, teasing her G-spot while I worked over her swollen nub. The orgasm it triggered was, in a word, explosive. Amanda cried out, and for the first time since we'd thrown caution to the wind, we each backed off a little.

"G-got...to...stop," she sputtered.

I took my time giving in, running my tongue over her hole one more time before breaking contact.

"What's wrong?" I said, pretending to be serious. "Not in a hurry, are you?"

"Get up here!" she demanded, reaching down and grabbing me by my belt. I stood up, the pressure on my cock making me wince. Amanda fought to get my belt undone before deftly fishing out my prick. My relief was instantaneous.

"Awww," Amanda cooed. "Somebody needs some lovin'...."

Her tongue darted out, the tip finding my dickhole and licking away the pre-cum that had been forming there. I sighed, moving forward, my cock parting her lips and slithering across her tongue. She closed her mouth, engulfing three inches, looking up to watch me as she gobbled my dick.

Amanda wrapped her fingers around my pole and proceeded to suck me noisily.

"I'm probably not too good at this," she said. "I've only done it twice."

"Trust me," I told her, because it was the truth. "You're doing just fine."

I could tell she was still nervous. Probably why she was holding onto my shaft like it was a life preserver. Once she got into a rhythm, I gradually pried her fingers loose.

She was still tentative, but she was willing to try, and that was good enough for me. Each time she worked her way down my shaft, she'd alter-

It's time to get up close and personal.

Maria is open when it comes to sharing her personal life and sharing her body. When we asked her why she wanted to pose nude she said, "I'm a hoe," with a laugh. "Everyone has their talents, and sex just happens to be mine." Maria also says she's good at painting and gardening, but she won't be displaying those talents here. Instead, she displays her hot body and pretty pink pussy.

Is it true that you're bisexual?

"Yup. I had a three-way with my best friend and my ex-boyfriend. That experience proved to me that I really do like girls and it wasn't just a phase. Her pussy tasted so good; it was hard for me to peel my lips off of it, even when my boyfriend was fucking me from behind. I even got super turned on watching my friend cum as my boyfriend fucked her."

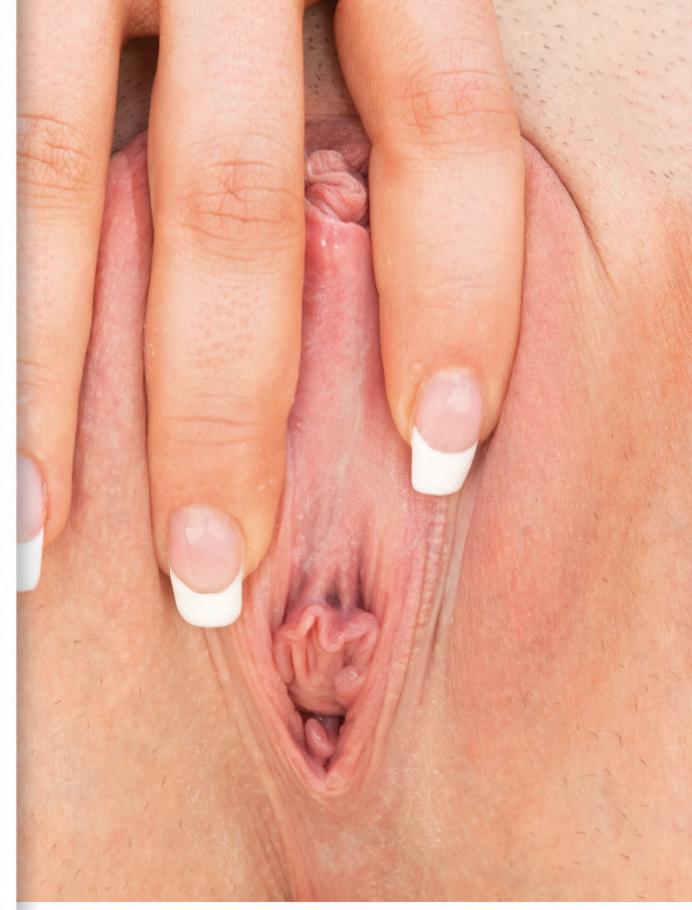

Have you ever been in a three-way with all girls?

"Not yet, but I would love to. Girls are so sensual and sexy and they smell good. I love girly-girls who take care of themselves.

Sometimes I feel like I'm a guy because I get so horny looking at them. I imagine what they look like naked and what they taste like, and my pussy starts to drip. If I was with two girls, I'd be cumming all night long."

AFTERSCHOOL SEX ED

nate between trying to take a little more of me into her mouth and giving me a stroke or two as she pulled back. Inexperienced? Maybe. She wasn't giving up, though, and the rumbling in my nuts told me that if she got any better at this, she was going to have to learn how to guzzle jizz—and fast.

Amanda was a drooler. Strands of saliva ran down my shaft from her blow job. *Slurp-slurp* she went, really getting into it, jacking me harder and faster the deeper she throatied my pole. Finally, her mouth pressed into my curvies, and she had nothing left to grab onto but my soggy sac.

"Mmmmm," she mumbled. "You're gonna make me swallow it, aren't you? Gonna make me gag on it?"

It wasn't really that she was worried about me making her do anything. Looking into her eyes, into her sweet, hollow-cheeked face, it was pretty obvious what she wanted, and that was for me to gush in her mouth. To bust my nut and let her see if she could keep up with the flood of sperm my nuts were getting ready to pump down her throat.

I'll admit, I wanted nothing more than to fill Amanda's mouth with jizz. My balls were aching to be empty, and seeing the train tracks whenever her lips pulled back was more than enough incentive.

Only, I didn't. This was, quite possibly, a once-in-a-lifetime chance, and I wanted a shot at parting Amanda's pink with something more than my fingers and tongue. Reluctantly, I withdrew from her mouth, and pulled her into my lap.

Once, after a parent-teacher night about three years into my career, I'd snuck off with a guidance counselor to an upstairs classroom where we'd gotten it on in this very chair. The arms were ratty and the stuffing pounded flat, but I'd dragged it around the building no matter which room I'd been assigned. I'd fucked Gail's brains out in this chair, and whenever I had a particularly bad day, it brought back fond memories to sit in it and think about what we'd done that night. Chair fully reclined, Gail's athletic legs spread wide, driving my prick up into her lovehole, barely slowing up long enough for me

to get a rubber on, then finishing in a pool of sweat, cum and pussy juice. Hell, if I could bank on one of those conference nights a year, I wouldn't bitch about the pay so much.

Amanda, though, wasn't up for just riding my cock the way Gail had done. When she saw what I wanted, her eyes lit up. Then she swiveled around, hooked her tiny feet into the arm rests, and slowly lowered herself onto my cock, her ass pressing into my chest as she worked her pussy down my shaft inch by inch.

She settled on my cock, her ass cheeks resting on my lower abdomen. She looked back over her shoulder at me—something that absolutely drives me crazy whenever I'm doing a chick doggie-style, and mouthed the word, "Ooh," before blowing me a kiss. Her lips were still slimy with my pre-cum. She must've felt it, or noticed me looking, because she took her sweet time licking them clean.

Amanda pushed herself up, using the armrests. Then she began to bounce in my lap, moaning softly, throwing her head back and taking control of the action.

She got no complaint from yours

truly. She could do whatever she wanted. I'd have willingly gone down whatever slutty teenage fantasy road she wanted to travel.

"Ungh!" she grunted, speeding up. Her shoulders were pushed back, her tits jutting out. I could feel her clenching her muscles by the way her ass cheeks tightened. Whenever she

leaned forward, I got a real good look at her puckered, little asshole. Had anybody ever been up there before, I wondered. Staring at it, I wasn't sure about getting my index finger more than a knuckle deep in her. The words "virgin territory" flashed in my mind, and I closed my eyes to try and prolong things just a few strokes longer.

**"CUM
ALL OVER
MY BIG
TITS!"**

"Hold me!" Amanda choked, clutching at my hands. I did, our fingers twining. Amanda used me to support her, dragging herself up off my cock as far as she possibly could, the tip of my prick nearly slipping out of her as she got herself off again. I thought that would be it, that she'd cum again and then maybe go back down on me. No way was I prepared for what happened, though.

"You like it like that, don't you?" she asked, again looking back at me.

"Oh yeah," I told her, feeling the temperature in my balls move a few degrees closer to boiling.

"You like watching yourself fuck me, huh?"

"There's a lot to enjoy looking at," I said, feeling the tightness growing between my legs.

"You don't wanna take it out of me...do you?" she asked, a question she already knew the answer to.

"All good things must come to an end," I said, worried that this was going to come to a messy end indeed.

"But I don't want this to come to an end," she said, pouting, those full lips of hers making me quiver. "Not until...you know...."

I didn't know. I mean, sure, I wanted to go all night, but we couldn't do that here, in my classroom. She giggled when I said so.

"Nooooo, silly," she told me, flashing the metal mouth at me again. My balls hitched. I tried to think of something to say when she pressed herself down into my lap for the last time, then pinned me to the chair, pulling my hands onto her boobs.

"Not 'til you cum in my pussy," she whispered, proceeding to give my neck a hickey.

I exploded, my cock spitting a fiery blast of jizz into her vag. Amanda's eyes bugged out when she felt the force of my load flooding into her.

"Wow!" she gasped, rocking back and forth, milking my bone with her twat. It had been a while for me, and there was plenty of spooge to be had. I fondled Amanda's breasts, kneading her erect nips. I couldn't tell, but I was pretty sure she was fingering her clit while I emptied my nuts into her snug pink tunnel. After what seemed like forever, as I finally started to flag, she mumbled something into my ear.

"Sure beats last year's after-school sessions," she said. "I've wanted to do that all summer."

Special delivery!

Imagine you order food for delivery and MacKenzie shows up at your door. She's slender, tan and beautiful. Your appetite has changed, and she looks like just the snack for you. That's what happens in this scene. The guy can't find a tip for MacKenzie, and while any other girl would have stormed out pissed, she suggests his cock as a tip.

Do you always fuck the guys you deliver to?

"This was a first. He was cute, and I was horny, so I just went for it. I gave him a sloppy blow job where I was deep-throating him and drooling all down my tits. Then I rode him like he was the last guy I was ever going to fuck. I'd do it again."

A close-up, low-angle shot of a woman with long brown hair tied back, wearing a white headband. She is being fucked from behind by a man whose hairy阴部 is visible at the bottom of the frame. She is wearing a white tank top and white shorts. Her mouth is open in a silent scream. The background shows a modern interior with a chandelier and a ceiling light.

He got an order from Uber Skeets.

MacKenzie's perfect, little ass and butthole go up and down as she rides his cock. They spoon and MacKenzie tells him "I love it all the way inside of me" as he goes deeper. She cum, and then he cum all over her face and tongue. This was a better tip than MacKenzie was expecting. Watch the scene online at 18eighteen.com.
